Derben features in new project

WYCOMBE WANDERERS

WYCOMBE Wanderers supporter Sandie Derben features in a limited edition charity calendar that has been released by world renowned photographer Stuart Roy Clarke.

The Power of Football was commissioned by energy brand Utilita Energy, a rising supporter of football from grassroots to the Premier League, with all profits going to its charity partner, The Prince's Trust.

The calendar represents just part of a new body of work from Roy Clarke, focusing exclusively on Utilita's partner clubs and the dedicated individuals who power the game at every level.

Sub-brand Utilita Football will release more content on its social channels throughout the 2019/20 season, culminating in a full collection of work at the end of the campaign.

Roy Clarke visited more than a dozen football matches in September and October 2019, from Bristol to Dundee, to capture the imagery for the calendar, before whittling down thousands of pictures to his final 12.

"Football, with so many clubs, is about belonging, it's not about not-belonging. This project was designed by me to be a postcard home, a love letter, a sonnet to our folk and our nation from myself and Utilita," explains Stuart, who since 1989 has visited hundreds of football stadia and released widely-acclaimed books, The Homes of Football and The Game.

"Thirty years ago, before all the young people we are helping were even born, I woke up one day with the conviction I should start a project as pluralistic as can be, based around football, our national game.

"At football, where few win anything but we try to keep up, compete, be part of something bigger, I feel we have the chance to be one."

Last year Roy Clarke's extraordinary images formed a major exhibition at Manchester's National Football Museum, while his works are also displayed at England's training HQ, St George's Park.

The Power of Football - costing £10 - is A3 and will be initially limited to a print run of only 500. At least £7.50 from each sale will be given to the Prince's Trust.

You can purchase a copy online from www.homesoffootball.co.uk/ calendar or from a selected number of outlets across the UK - details on the website.

SQUASH: Tennis & Squash club on their annual tour

Chesham veterans challenge Gibraltar under the rock

By Rob Stevens

A GROUP of 12 members from Chesham Tennis and Squash Club flew to Gibraltar to challenge them to a match.

There were 10 squash players and two racketball members in the Chesham team this year.

It is remarkably the 14th international match the club has competed in following on in succession from Belgium, Germany, Holland, Scotland, Jersey, Isle of Man, Northern Ireland, Republic of Ireland, Portugal, Poland, Malta and Cyprus.

The tournament was played at the brand new Europa Sports complex, which at the southern tip of Gibraltar, with the hills of Morocco clearly visible only nine miles across the straight.

The Chesham squad were up against a strong side, including several Gibraltar top team players, and though they put up a good fight, victory this time eluded them.

Chesham's number one, Neil Hollister, played his best against Gibraltar's champion, Christian Navas and Club President, David Griffiths, was no match for top lady player Leanne Moreno.

Even the athletic Clive Johnson could not get the measure of Gibraltar captain Rob Hamilton.

New friendships were forged however and celebrated with in the club bar afterwards with a curry generously provided by the hosts.

Rob Hamilton said, after being presented with the Chesham 1879 plaque: "It's been a great tournament and maybe we will be seeing you in Chesham for a return match".

Veteran captain David Ouvry added: "A great tour. In 14 tours, we've

(L-R) Chesham players mid-tournament - Alan Clark, David Griffiths, Clive Johnson and Tim Pritchard-Jones.

so far beaten Germany and Jersey and drawn with France. Next year, we have Italy in our sights, another story to come."

Chesham 1879 Tennis and Squash Club is in Pednor Road, Chesham, near the Queens Head. Telephone 07882 924994 or email: admin@chesham1879.co.uk

FOOTBALL: Chante Inniss bags a hat-trick in victory

Chairgirls storm to win

Chante Inniss. PHOTO: Wycombe Wanderers FC

WYCOMBE Wanderers Ladies stormed to a 11-1 win against Tilehurst Panthers in the Chairman's Cup competition on Sunday.

The quality of football played by the Chairgirls in the first half was not that of the standard previously on display at Abingdon United last week, but nonetheless produced goal scoring opportunities.

Sarah Harrison opened the scoring with a well taken right foot shot high into the goal.

Chante Inniss got in on the goal scoring action by netting three times in the opening 30 minutes, each different in how she worked the opening to score.

Arguably her best was when she dispossessed a Tilehurst defender and turned to fire in low to the corner. Sam Jackson helped herself to two

first-half goals for the Chairgirls to lead 6-0 at half-time.

On 47 minutes, an excellent passing sequence of the kind we now expect from our Chairgirls, resulted in another smart finish by Jackson for her hat trick.

Skipper Charlotte Bagshaw scored with a glorious strike from the edge of the box high into the top corner of the net to extend the lead to 8-0.

Tilehurst to their credit worked hard to make sure the hosts didn't have everything their way when a defensive mix up was punished to reduce the deficit.

Kate Hudson sought to redress the balance when she was the first to react to a loose ball from a corner and stabbed home from 10 yards. Jackson added to her tally when the Tilehurst keeper made an error of

judgement to allow a moderately struck shot slide past her to take the Chairgirls into double figures.

Tara Woodward scored the 11th goal late on to put the tie to bed.

An improved second half with better ball retention and less reliance on long passes than in the first half, many of which carried through to the Tilehurst keeper or out of play and some very well taken goals.

Next week sees the long-awaited return to league action with a trip down to Warsash Wasps with a 2pm kick-off.

The pretty town of New Milton, on the south east coast, just south of the New Forest, was the venue for the Development squad's latest adventure, recording a 3-0 win on Sunday.

Hosts grab dramatic win

Wycombe Wanderers overcame Doncaster Rovers 1-0 thanks to a late Joe Jacobson penalty on Saturday Pictures by Andy Rowland

DONCASTER ROVERS 0

WYCOMBE continued their terrific League One form after Joe Jacobson's last-minute penalty gave the Chairboys victory over 10-man Doncaster on Saturday.

Gareth Ainsworth's men went into the match off the back of a frustrating FA Cup first-round defeat to Tranmere during the week, and it looked like it was going to be a second consecutive disappointing result at Adams Park.

In a first half with very few chances, Wycombe dominated possession from the outset with Curtis Thompson causing havoc on the wing, with one of his crosses reaching Alex Samuel, but the 24-year-old saw his effort from 10 yards just go past Seny Dieng's goal.

Wycombe continued to show why they are favourites to go up this season as Samuel continued to cause the Doncaster defence problems, but again, his shot, this time from 18-yards, just went wide.

But it was the second half when the game came alive as Doncaster were reduced to 10-men minutes after the restart.

Tom Anderson, who had two half-chances in the opening 45 minutes, committed an awful challenge on skipper Matt Bloomfield in the centre circle, which left the 35-year-old to have lengthy treatment.

Thankfully, Bloomfield got up and carried on, but was substituted moments later.

Despite being a man light, Doncaster started to apply pressure onto the league leaders as Donervan Daniels, who came on moments after the visitors were reduced to 10 players, saw his looping header from a James Coppinger cross hit the bar.

It looked like Wycombe were going to draw a blank for only the fourth time in the league this season, while Doncaster looked like they were go-

ing to get only their fourth clean sheet of this league campaign, as both sides defended well.

Ainsworth knew something had to change so he opted to bring on both Adebayo Akinfenwa and Rolando Aarons, and it was the former who played a huge part in Wycombe's winner.

In the 90th minute, a huge goal-mouth scramble occurred in the Doncaster box and after the ball was knocked up in the air, the former Wimbledon, Northampton and Gillingham man was bundled over by substitute Daniels, with referee Michael Salisbury having no op-

tion but to point to the spot. In total, Jacobson had to wait just under four minutes for the penalty to be taken as Daniels received treatment, but this didn't faze the left-back, as the 33-year-old stepped up and slotted down the middle, sending Dieng the wrong way.

Wycombe: Allsop, Grimmer, Jacobson, Stewart, Charles, Thompson, Olofinboba, Bloomfield (Akinfenwa 60), Wheeler, Smyth (Aarons 75), Samuel (Kashket 79).

Unused subs: Yates, Gape, Phillips, Freeman.

Doncaster: Dieng, Halliday, James, Anderson, Wright, Sheaf, Whiteman, Taylor (Sadler 67), Bingham, Gomes (Daniels 54), Coppinger (May 80).

Unused subs: Lawlor, Amos, Greaves, Thomas.

WYCOMBE Wanderers remain five points clear at the League One summit after earning a 0-0 draw in their top-of-the-table clash at Ipswich Town.

On a controversial evening, Wanderers were left to rue a late penalty save from Czech giant Tomas Holy which denied Joe Jacobson the chance to give Gareth Ainsworth's side all three points.

Earlier, the hosts started well and had two early penalty appeals of their own turned down when shots from Luke Garbutt and Jon Nolan appeared to strike the arm of defender Jacobson, the latter the stronger claim.

And they then had a gilt-edged chance to go in front on 14 minutes, James Norwood unable to make contact with a Kayden Jackson cross when any connection would most likely have seen the ball hit the back of the net.

At the other end, Adebayo Akinfenwa looked lively, winning one aerial battle with Tractor Boys skipper Luke Chambers before getting a low shot away, Holy saving with his legs.

Chambers nodded a Garbutt corner wide before the home fans were left furious with a disallowed goal on the stroke of half-time.

It was Chambers who was convinced he had put his side in front with a glancing header which ended up in the back of the net, only for referee Alan Young to consult with assistant Aaron Farmer, the duo deciding to rule it out for an off-side against Kayden Jackson after a lengthy delay.

Norwood was booked for dissent as the Portman Road faithful vented their anger at the officials, but the decision had been made.

The second half fell flat following the drama of the first half, with former Blue Matt Bloomfield awarded

a warm reception from all four corners of the ground when he was substituted with 20 minutes remaining.

As time ticked down, Wanderers were given a real chance to snatch all three points when Chambers' foul on David Wheeler was adjudged to have taken place inside the box, but Holy used his huge frame to palm the ball away.

Wycombe can now look forward to

a two-and-a-half week break before hosting Burton Albion on Saturday, December 14.

Ipswich: Holy, Chambers, Wilson (Edwards 82), Woolfenden, Donacien, Garbutt, Skuse, Nolan, Huws (Rowe 82), Jackson, Norwood (Keane 88).

Unused subs: Norris, Judge, Nsiala, Dozzell.

Wycombe: Allsop, Grimmer, Jacobson, Stewart, Charles, Gape, Thompson, Bloomfield Freeman 72), Wheeler, Smyth (Kashket 62), Akinfenwa.

Unused subs: Yates, Phillips, Samuel, Aarons, Ofoborh.

Attendance: 19,215 (793 Wycombe fans)

FOOTBALL Chairboys boss proud after Ipswich draw

Ainsworth: Being top is a wonderful thing

Gareth Ainsworth wants Wycombe Wanderers to now embrace the two-week break after a 0-0 draw at Ipswich Town on Tuesday night.

WYCOMBE Wanderers manager Gareth Ainsworth is proud of his team after the 0-0 draw at Ipswich Town in League One on Tuesday night.

Ainsworth believes his players will improve for the experience of playing in front of 20,000 spectators at Portman Road, and he explained to sit top of the table heading into the two-week break is a 'wonderful thing'.

He said: "We're pleased with the point. It could have been three, but their keeper's made a wonderful save at the end. For us, it's five clean sheets in a row."

"It's an amazing stadium to come

By Rob Stevens

to, some of my players have never played in an atmosphere like it, but now they have and they'll be better off for it.

"For us, to have this benchmark is great, knowing we can compete against a team like Ipswich, and we restricted them to not having a single shot on target."

"I'm really proud of the boys. They were throwing themselves at the ball in the 96th minute to make sure we got our point."

"Ipswich came at us, they had 20,000 people spurring them on,

but we kept in the game and finished strong ourselves."

Ainsworth continued: "I know our fans love to see goals, but they love a clean sheet as well, and they're really embracing what we've been doing."

"All I can do is go over to them at the end and applaud them for their support. They'll be home later, and most have got work in the morning, but they can sense that something is building here."

"We're getting some real direction and structure with the new ownership change that is coming in. For us right now to be top of League One, is a wonderful thing."

The Chairboys return to action with a visit to Adams Park from Burton Albion after the two-week break on Saturday 14th December.

Ainsworth said: "The break is there now, and we'll embrace it and use it the right way."

"There'll be training for some, whilst some will get time off, but then we'll all come together again to do things right and get ready to have a right go at Burton."

"It's a chance to recharge the batteries and refresh the mind, but we can keep momentum by doing things right, which I know the boys will."
