INTRODUCING...

'QUARTERS' LOOKS AHEAD TO THE NEXT 90 MINUTES

Often the best opportunities to recover from the setback of a league defeat can arise in the form of a cup clash and the chance to spring a shock on a club from a higher division. While Saturday's defeat to Bury was disappointing in terms of both the result and the performance, tonight represents the chance for Wycombe to play without fear of dropping vital league points, and use the underdog tag to their advantage as they look to make life as uncomfortable as possible for Steve McClaren's Nottingham Forest.

The ex-England boss has endured a tricky start to life at the City Ground, requiring a last-gasp equaliser to prevent defeat in

their weekend derby fixture with Leicester City. Their only win of the season was an unconvincing one at Doncaster Rovers, while they were seconds away from being dumped out of the Carling Cup first round before Wes Morgan's late strike took Notts County to penalties, with Forest ultimately progressing into the next stage.

So a long trip south to face a wounded animal probably won't be too popular for the men in red as they look to pick up confidence ahead of three tough tests against West Ham United, Southampton and Derby County in the Championship. Having been edged out of the play-off semi-final by Swansea City in May, hopes are high of another top six finish and

the pressure will mount if they are unable to put together a strong run of form early in the season.

It remains to be seen if Forest will name a full-strength side tonight or whether McClaren will gamble with fringe members of his squad, but whichever starting XI he picks will guarantee a tough test for the Wanderers tonight. With a number of ex-Premier League regulars at his disposal, the visitors will be expected to take the game to Wycombe and attack from the start, but the soft under-belly that has plagued the Blues in previous years has been strengthened under Gary Waddock's reign and they will be looking to create chances of their own while remaining stubborn in defence.

THE GAFFER

After the disappointment of Saturday's 2-0 defeat to Bury here at Adams Park, tonight gives us an opportunity to put that game behind us as we look to progress further in the Carling Cup.

The energy levels were low after the very pleasing display and result at Leyton Orient on Tuesday, but that is going to happen at times this season due to the higher quality opposition we will face week in, week out following the step up from League 2 to League 1.

This evening we come up against a Championship side in Nottingham Forest who will undoubtedly be looking to achieve promotion back to the Premier League, so we know this is going to be a big test for us. I'll be looking for a response from the players and rest assured we will be taking the game to them.

It's an important fixture against a big club, who have a great history and a fantastic fan base. Having said

"I'LL BE LOOKING FOR A RESPONSE FROM THE PLAYERS AND REST ASSURED WE WILL BE TAKING THE GAME TO THEM."

that, we're ready for the challenge and really looking forward to taking on one of the biggest clubs in English football.

On that note, I'd like to welcome Steve McClaren, the staff, players and supporters of Nottingham Forest to Adams Park.

Like in the first round against Colchester, there will be changes from the side that started against Bury on Saturday, but it won't weaken the team. We've got a good squad here and it's important that everyone gets a chance to impress.

Our win over Colchester here two weeks ago provided some great drama and entertainment and if we reach a similar tempo this evening, we could be in for another cracker.

ROUND TWO REMEMBERED

'QUARTERS' PICKS OUT CLASSIC ENCOUNTERS FROM THIS STAGE

It's an unfamiliar but very welcome feeling as we look ahead to tonight's clash with excited anticipation, having not reached this stage of the competition since 2006. The story of the run to the semi-final that year could fill this programme, let alone these two pages, but instead we've decided to highlight some of the memorable second round clashes from years gone by at Adams Park.

WYCOMBE WANDERERS 4-2 COVENTRY CITY (AET) 5th October 1993

Wanderers' first ever venture into the second round of the League Cup saw them handed a 3-0 defeat at Highfield Road in the first leg of their meeting with top-flight Coventry City, giving the Blues little hope of recovering from such a deficit in the reunion at Adams Park. But Martin O'Neill's men were not the type to lie down and accept defeat, and what followed was 120 minutes of pulsating football which had the Midlands club well and truly on the ropes. Keith Ryan, Keith Scott and Terry Evans all scored to take the tie to extra-time before Jason Cousins drilled home a free-kick to send the home fans into wonderland. However, goals from Steve Morgan and Phil Babb saved the Sky Blues' blushes and secured their passage to round three, but Wycombe were beginning to make

their mark in their first season as a Football League club.

WYCOMBE WANDERERS 3-4 WEST BROMWICH ALBION (AET) 21st September 1999

After an excellent 1-1 draw in the first leg at the Hawthorns, Wycombe sensed another cup upset having dumped West Brom's neighbours Wolverhampton Wanderers out of the competition with a 4-2 win at Molineux in round one. Sean Devine's early goal gave the Blues a dream start at Adams Park but Albion turned the game around with strikes from Paul Raven and Fabian De Freitas before the break.

A spectacular effort from Dave Carroll took the game to extra-time

but the visitors regained control when James Quinn's long-range shot slipped through the hands of substitute goalkeeper Mark Osborn and into the net. Lee Hughes put the tie out of reach but there was still time for Steve Brown to score from the spot in stoppage time, capping a breathtaking night of entertainment for the 5,047 supporters in attendance.

WYCOMBE WANDERERS 3-4 BIRMINGHAM CITY 19th September 2000

Wycombe had negotiated their way through a tricky first round clash with Ben Strevens' Barnet to set up a meeting with Birmingham City, playing the first leg at Adams Park. The tie looked to be over with just 24 minutes on the clock

Jermaine McSparran heads for goal against West Brom

Jamie Bates wheels away after levelling against Birmingham

as the visitors raced into a 3-0 lead courtesy of a brace from Geoff Horsfield and a strike from Andy Johnson, aided by some woeful defending.

A fine effort from Andy Rammell gave Wycombe hope on the stroke of half-time, and the hosts came out all guns blazing after the interval, no doubt inspired by a half-time earbashing from manager Lawrie Sanchez. Andy Baird pulled it back to 3-2 with his first touch after coming off the bench and Jamie Bates then fired home a loose ball from a corner to complete the comeback, only to see Johnson restore Birmingham's lead late on before they won 1-0 in the second leg at St Andrews.

WYCOMBE WANDERERS 3-8 ASTON VILLA 20th September 2005

One of the most memorable nights in the 21 years of being at Adams Park occurred one autumn night when Premier League side Aston Villa rolled into town. The

competition had evolved into a one-legged affair by this stage and gave the Blues – unbeaten in their first 10 games of the season – a chance of a giant-killing, particularly with the glorious style on football being produced by John Gorman's Blues.

The first half saw the most scintillating performance imaginable, with goals from Nathan Tyson, Tommy Mooney and Roger

Johnson putting Wycombe 3-1 up at the break, while Steve Davis netted for Villa. They continued to attack after the interval but came unstuck in disastrous fashion with Milan Baros, James Milner (two), Clint Easton (og), Gareth Barry and Davis' second completing a spectacular turnaround, although the hosts continued to create chances and dazzle the home crowd.

MATCH REPORT

UNBEATEN RUN COMES TO AN END AT ADAMS PARK

Wanderers' 14-match unbeaten run finally came to an end on Saturday afternoon as a goal in each half handed Bury a 2-0 victory, albeit in controversial circumstances.

The game hinged on a five-minute phase in the second period when the hosts should have been awarded a penalty for a blatant handball before Ryan Lowe slotted home the Shakers' second goal, effectively ending the tie as a contest.

Wycombe went into the match full of confidence and with an unchanged starting line-up following their 3-1 midweek success over Leyton Orient, and started brightly with Joel Grant firing wide and Scott Donnelly sending a cross-shot past the far post after an excellent move.

However, the visitors recovered and opened the scoring with their first chance of the game on 24 minutes. Mike Jones took a quick free-kick and played a one-two with Ryan Lowe on the edge of the area, receiving the ball back from the striker and firing home via the inside of the post.

Ben Strevens headed Danny Foster's teasing cross straight at the keeper before the interval and the pressure mounted after the break as Scott Donnelly's free-kick needed to be tipped over the bar before Andy Sandell's header was cleared off the line.

At the other end, Andy Bishop chipped against the bar before the drama unfolded, with Joel Grant's goalbound effort hitting the outstretched arm of Efe Sodje. Vociferous appeals went

unanswered by the referee and it wasn't long before Bury were two goals in front, when Lowe was given too much time to poke Andy Bishop's pass into the bottom corner.

Lowe was lucky to remain on the pitch moments later when he scythed down Joel Grant with a nasty tackle before shoving Andy Sandell with both hands in the ensuing confrontation, but again the referee took a lenient stance and brandished only a yellow card, adding to Wanderers' frustrations.

Chances were hard to come by in the closing stages as Bury held firm although Elliot Benyon came close to netting on his home debut in stoppage time, scooping over from close range under pressure from a defender.

WANDERERS IN THE COMMUNITY

We're delighted to have received the support of two recent initiatives which have helped us to continue the work we carry out both on a matchday here at Adams Park and around the local area.

Saturday saw the presentation of the preliminary level of the Equality Standard for Professional Clubs, which was awarded by Lord Herman Ouseley, chairman of the Kick It Out campaign. The panel informed us that they were "very impressed by both the quality and quantity" of the evidence which we submitted in relation to the procedures in place to monitor and act against discriminatory incidents on a matchday.

Our diversity officer Aqeel Akram works extremely hard in helping to ensure that we as a club embrace supporters of all ages and ethnicities, and that we are able to eliminate discrimination within the stadium.

Aqeel Akram and chief executive Chris Thomas receive the award from Lord Herman Ouseley

We should also pay tribute to the excellent job that our stewards do week in week out to monitor any anti-social behaviour and prevent any such incidents from tainting the matchday experience that families are able to enjoy here at Adams Park.

The next step for us is to attain intermediate status – something that only 11 clubs have achieved –

and we'll be working closely with the Kick It Out campaign to help us reach this level in the coming months and years.

Secondly, we recently received a cheque for £500 from the proceeds of a charity night featuring Gareth Ainsworth singing with a local band, Subrosa5. The event was attended by over 180 guests – mostly Wanderers supporters – and included a hog roast, quizzes, three comedy acts and two superb music sets from Gaz and the band, raising a total of £3,400.

The majority of the money has been raised for Cancer Research UK but we were privileged to be named as one of the beneficiaries of the event and would like to thank Gaz, the band and everyone involved for their contributions.

ADRIAN WOOD RECALLS MEETINGS WITH THE REDS FROM YEARS GONE BY

The only previous competitive meeting between the sides was also in the League Cup fifteen seasons ago. The Chairboys, under Alan Smith, were having a torrid time in League 2 but had beaten Reading in the cup 3-1 on aggregate. Meanwhile Forest, under manager Frank Clark, had just a single win from their first six Premiership outings and were 14th in the table.

The first leg at the City Ground didn't capture the imagination of the Nottingham public and the crowd was Forest's lowest for a first-team fixture for 36 years. The Premiership side enjoyed the greater possession over 90 minutes but Wycombe were far from outplayed. With a little more conviction and self-belief in front of goal, the Chairboys could have easily gone into the second leg on level terms.

Forest's best efforts of a low key first half were shots from David Phillips and Bryan Roy, while, at the other end, Miguel De Souza and Steve Brown fired wide for Wycombe. The only goal arrived after just minutes of the second period when Bryan Roy received a short pass from Stuart Pearce, turned inside his marker and hit a blistering shot from the edge of the area that went in off Brian Parkin's crossbar. Parkin then produced fine saves from a Jason Lee header and a Pearce thunderbolt. Wycombe had opportunities of their own through Desouza, Paul McCarthy and Dave Farrell, who saw two late efforts held by Mark Crossley.

Steve McGavin takes on Des Lytle at Adams Park

Wycombe impressed during the first half of the second leg at Adams Park six days later. Dave Farrell hit the post and Steve McGavin went close before Paul McCarthy levelled the tie in the 38th minute when he headed home Jason Cousins' cross. The second half was end-to-end stuff with both goalkeepers in fine form. Brian Parkin saved superbly from David Phillips while, at the other end, Mark Crossley kept out Matt Lawrence's fierce effort.

Having given their all, Wycombe visibly tired as the game went into extra-time and Forest created more and more chances. Chris Bart-Williams and Ian Woan spurned golden opportunities before Forest eventually went ahead in the tie in the 103rd minute when Jason Lee headed home Bryan Roy's cross at the back post. McGavin was presented with Wycombe's best chance to level late on but he fired over.

Forest went on to endure a miserable campaign. Their League Cup campaign ended in round three with a 4-1 drubbing at West Ham, they were humbled by Chesterfield in the FA Cup and managed just six Premiership wins all season, dropping down to Division One. As for the Chairboys, Alan Smith was dismissed just a few days after the Forest game. The team rallied under Smith's replacement, John Gregory, and finished the season in 18th place, eight points clear of relegation.

ADRIAN WOOD'S KEY FACTS FOR THE TRIP TO HUDDERSFIELD

HUDDERSFIELD TOWN
GALPHARM STADIUM
HUDDERSFIELD, HD1 6PX
SATURDAY 27th AUGUST
KICK-OFF 3PM

GOING BY CAR?

Take the usual route to the northbound M1 (M40 west, exiting at Junction 10 to take A43 towards Northampton and then picking up the M1 at Junction 15A). At junction 32, carry forward onto the M1 (s/p Sheffield, Leeds). At junction 38, leave the motorway and follow signs to Huddersfield, the A637. After just over six miles, at the Grange Moor Roundabout, take the first exit, the A642 signed Huddersfield. Try to keep in the right-hand lane as you approach the town centre because you will need to turn right at the island and go onto the A62 Leeds Road. The stadium is a short distance down this road on the right. The stadium is generally well signposted around Huddersfield town centre.

EXTRA INFO

With normal traffic conditions, you should do the journey in around 3 hours 20 minutes. Leicester Forest East service area on the M1 is the mid-journey point (93 miles from Wycombe).

WHERE TO PARK?

Season ticket holders reserve most of the parking at the ground, but some spaces in the St Andrews Road car park (behind the away end) are available to visiting fans on the day at a cost of £5.

There are a number of unofficial car parks nearby (expect to pay £3-£4).

USING THE TRAIN?

This is possible but difficult due to engineering works on Chiltern Trains. On all services you need to change at Manchester Piccadilly. The following are some options from London Euston:

OUTWARD JOURNEY

London Euston dep.	08:40	09:20	10:00
Huddersfield arr.	11:44	12:15	12:56

RETURN JOURNEY

Huddersfield dep.	17:26	18:46
London Euston arr.	20:25	22:00

Huddersfield station is about a 15-minute walk from the ground.

FACILITIES AROUND THE GROUND

Away fans wearing colours are likely

not to be allowed into the Bradley Mills Working Men's Club or Ricky's Bar. Both of these are on Leeds Road, about a five-ten minute walk away from the stadium. The same applies to the 'Rope Walk' in the entertainment complex behind the North Stand. Recommended hostellers are the 'Gas Club' on Gasworks Street and 'The Head of Steam' at the railway station. There are also bars at the back of the away end.

TICKET INFORMATION

The ground capacity is 24,500 (all seated). Away fans are located at one end of the ground in the Pink Link (South) Stand, where up to 4,000 supporters can be accommodated. The facilities in this stand and the view of the playing action are both good. There is also a Ladbrokes outlet and a bar serving alcoholic drinks at the back of the stand. See page 33 in this programme for ticket prices. The main telephone number is 0870 444 4677 and email address info@htaftc.com.
