ANOTHER FREE SATURDAY

WYCOMBE WANDERERS'

senior squad face their second free Saturday in a row, as they have no Isthmian League fixture tomorrow. Last Saturday's match against bottom-of-the-table Maidstone United was postponed early in the morning, after a local referee declared the pitch unfit.

Although manager-coach Barry Darvill is not happy at having the first team out of action for a fortnight, the problem has been alleviated by arranging the Wanderers' first Wycombe Floodlight League Cup encounter at Wokingham next Tuesday evening.

While the first team relaxed last week-end, Tony Horseman was busy training with the Olympic squad at Bisham Abbey for Wednesday evening's return match with West Germany at Hendon. The 16-strong party was taken by manager Charles Hughes to watch the Spurs-Liverpool clash on Saturday afternoon. Viewers to the B.B.C. programme 'Sportsview' on Tuesday evening saw the squad being put through their paces by Hughes, with Horseman clearly visible on two occasions.

BAKER AGAIN

Barry Baker, Wanderers talented right-half, gained further F.A. Amateur honours on Wednesday afternoon, when he played for an F.A. XI against Cambridge University at Eastbourne.

The reserves have not been idle, and have opened up a three point lead at the top of the reserve section table. Tomorrow they entertain Ernest Turners at Loakes Park (3 p.m.) in a Berks and Bucks Intermediate Cup-tie with C. Bunting; R. Grimes, B. Vousden; S. Thompson, D. Hall, S. Ridgley; P. Bates, V. Busby, R. Tinsley, T. Anning, P. Davies. Sub. R. Donaldson.

Three Wycombe players are included in the Berks and Bucks team to meet the Royal Navy at Bletchley F.C.'s ground on Monday, November 13, in the Southern Counties Amateur Championship.

Tony Horseman, Len Worley and Barry Baker all win places, while Barry Darvill once again acts as team manager to the Allied Counties' side.
