

A 'CAP'-IT-ALL DAY, WYCOMBE

ALTHOUGH left a free date by the Isthmian League fixture compilers, Wycombe Wanderers' interests are widely spread tomorrow — from Loakes Park to Llanidloes, Wales.

Three star men, John Delaney, Ted Powell and Larry Pritchard are included in England manager, Charles Hughes' squad for the Home Countries international against the Welsh.

Among the squad selected by Wales is Geoff Anthony, chosen after some sterling work for St. Albans since his transfer from Wycombe early in the season.

Anthony, on Sundays skipper of the Lawood Athletic team which is setting the Wycombe Sunday Combination's first division ablaze, stood down from the League's clash with Swindon League last week due to a recurring groin injury. He was expected to play for Saints on Tuesday night however, and is hoped to be fit for tomorrow.

The Wycombe trio — all seasoned 'caps' — have been training with the Hughes squad of 16. But at an earlier stage both Delaney and Pritchard seemed in danger of forfeiting

their chance of a further international appearance.

Delaney is now recovered from 'flu, however, after missing Wycombe's outings at St. Albans and Bromley, and standing down, like his two colleagues, at Wokingham and against Cambridge University last night.

Pritchard has played several games since offsetting a knee injury, but has had to play himself back into form.

LAST NIGHT'S friendly with Cambridge University is followed tomorrow by a further non-competitive fixture — Wanderers v. Stevenage at Loakes Park.

Stevenage come to Wycombe with the unenviable record of five consecutive defeats. In these 450 minutes they have conceded 23 goals and slipped to third from bottom in Division One (North) of the Southern League.

Player-manager Tony Gregory also has injury problems on his plate — notably to goalkeeper Alan Collier. Youth team player Martin

Thompson is currently deputising.

Other teenagers in the Stevenage squad are top scorer Josey Whishaw, winger Alan Saunders, midfield man Ray Dingwall and full back Steve Gear.

Among the more experienced men are centre half Ron Fogg, half back Charlie West and centre-forward, Lou Costello — all formerly with League rivals, Chelmsford.

On Tuesday, Wanderers hope to emulate their success at Wokingham with a providential result at the expense of neighbouring Chesham in the Premier Floodlight League at Loakes Park (7.30 p.m. k.o.).
