

Wycombe away to Barnet

WYCOMBE'S marked shortage of luck in cup draws means that they must travel to Barnet in the fourth qualifying round of the F.A. Cup to be played on Saturday week (November 3).

This match continues the sequence of away draws Wycombe have suffered in recent cup competitions, but apart from the venue Blues will not be unduly unhappy about the draw.

They met Barnet, founder

members of the new Alliance Premier League, in a pre-season friendly at Loakes Park and the result was a 1-1 draw. Wycombe's star in that game was John Murray, who was officially released last weekend. He seems set to join Molesey.

Barnet are mid-table in the Alliance but have apparently lost several of their players because of the excess travelling involved.

But Wycombe's immediate task is to win the Berger Isthmian League

match at Hayes tonight (Tuesday) and continue their climb into the high echelons of the table.

After a brilliant start to the season Hayes have slipped away badly in the last month, losing their last five matches.

The slump has coincided with the absence from the side of their leading scorer Pat Morrissey.

Despite not having played for three weeks with a leg injury, Morrissey, who

represented Coventry, Aldershot and Watford in the Football League, is still Hayes' leading scorer with 11 goals.

Manager Martin Hackett has numerous injury problems, but his main dilemma at present concerns the form of his goalkeeper, Alan Jarrett. After a series of poor performances Jarrett was dropped for the visit of Staines on Saturday — to end an unbroken sequence of 83 matches.
