Wycombe go for a Burton

NEW Wycombe Wanderers chief Mike Keen declared himself reasonably happy with his team's performance in Saturday's difficult FA Trophy second round tie.

This was Wycombe's first game since Mike took over as manager, writes **COLIN SIMPSON**.

He watched his side go down 4—2 to a formidable Burton Albion side which included Kevin Hector, the gifted former Derby star.

Said Mike: "I thought we were a bit unfortunate not to bring them back to Wycombe for a replay.

Scored

"We got caught out with two free kicks when their centre half nipped in and scored.

"But it was a very good game, I thought one or two of our players did well. There were some good things in our play, and some things that will have to be put right."

Wycombe's goals came from Howard Kennedy and Paul Miles.
