

Manager of the Month Mike Keen receives a gallon of The Real Mackenzie whisky from Hugh Woodward a representative of the sponsoring distillers.

Early Xmas gift!

MIKE Keen became the most envied man at Loakes Park on Saturday, when receiving his prize as Mackenzie's Isthmian League Premier Division 'Manager of the month' for November.

Mr Keen was presented with a gallon bottle of The Real Mackenzie whisky, plus a special certificate from Mr Hugh Woodward of the sponsoring firm. At the end of the season, he will receive a specially engraved tankard.

The presentation took place immediately before Wycombe's match with Sutton United, and the Wanderers showed exactly why he had gained the award, with a brilliant 3-1 victory.

The goals in this success, which took Wycombe into second place, came from Terry Glynn, Steve Long and Gary Toll.
