

Admission charges up

IT will cost more to watch Wycombe Wanderers next season. Ground admission for adults has gone up to 80 pence, while children now pay 50 pence and pensioners 30 pence.

Explaining the committee's decision to raise admission charges, secretary John Goldsworthy said "We had regard for the minimum level set by the Isthmian League for Premier League matches, which is in excess of our current admission.

"Also it was necessary to consider the rise in the costs of gas, electricity, rates and general administration of the club."

SEASON TICKET PRICES

£15 — includes entry to ground for first and reserve team league matches.

£20 — includes seat in stand for all first and reserve team league matches.

£6 — for pensioners includes entry to ground for first and reserve team league matches.

£9 — for pensioners includes seat in stand for first and reserve league matches.

Entry for all spectators to reserve team league matches is 30 pence.

Season tickets can be obtained at Loakes Park on Tuesday August 11, Thursday 13, Saturday 15 and Tuesday August 18 — at 7.30 pm — or by written application including the necessary fees to Hon Secretary, J. Goldsworthy, 35 West Drive, High Wycombe.

Match sponsors

The club is looking for match sponsors at a fee of £100. The sponsorship will cover the cost of a match ball, fees of officials, fees of gatekeepers and cost of dressing room facilities.

In return the sponsor will be given the opportunity of a whole advertisement in the programme together with a written description of the service or product. In addition there is free advertising in the ground and 20 seats in stand and V.I.P. treatment for Directors of Company.

Those interested should contact Mr Goldsworthy at High Wycombe 38042 (evenings).
