

NEWBURY Town, reigning Cold Shield Hellenic League champions, will provide Wycombe Wanderers with their first hurdle in this season's Berks and Bucks Senior Cup.

If proposals by the Berks and Bucks F.A. are carried at the next council meeting it will be the last time the Senior Cup will be competed for under the current format.

For Beaconsfield United the Senior Cup will be a new experience anyway. They only achieved senior status at the end of last season, and will play their first Senior Cup tie against Athenian League Chalfont St Peter.

Amersham Town, who last year reached the semi-finals, travel to Hazells for the first round. Holmer Green who caused several upsets on their way to the quarter finals are away to Thatcham Town.

Flackwell Heath, one of Holmer's victims, entertain Wallingford, while Athenian League sides Burnham and Marlow are away to Abingdon Town and home to Winslow United respectively.

Matches are to be played on October 3.
