

Visit to Cheshunt is postponed

WYCOMBE Wanderers' visit to Cheshunt tonight (Tuesday) in the Hitachi Isthmian Cup has been postponed for a fortnight because of their opponents' involvement in the FA Cup.

Cheshunt met Lewes in a first qualifying second replay on Monday night. They could not play two games in 24 hours so the Hitachi match with

Wycombe has now been switched to Tuesday, October 13.

Operation

Wanderers' forthcoming fixture list is a little muddled. In a rearranged game they will now entertain Tooting and Mitcham in an Isthmian League game on Saturday.

Next Wednesday (October

7) Wycombe are due to play Newbury in the first round of the Berks and Bucks Senior Cup. But that game depends on Newbury not drawing in the FA Cup this Saturday.

Defender Anton Vircavs has been in hospital for the past week having attention to his poisoned leg, which required two operations. He is due to leave hospital this week, but it could be some time before he plays again.

Wanderers are still waiting for George Borg's written release from the United States to reach the English FA. Until it does, he will not be able to play in England.

Wycombe are on the lookout for a Reserve team physiotherapist. Those interested should contact Mike Keen at Loakes Park.

Hunt hat-trick

BIG Andy Hunt scored a hat-trick as Wycombe Wanderers returned to form with a nervous 3-2 victory over Staines Town in the Suburban League on Saturday.

Hunt had completed his

hat-trick by half-time when Wanderers led 3-0. However Staines fought back with two second half goals as the home team went off the boil.

But they hung on without undue alarm.
