

Midweek rest for Wycombe

AFTER a confusing series of events, Wycombe Wanderers will not have a midweek fixture this week.

They were due to meet Chesham United in the Berks and Bucks Cup second round tonight (Tuesday). But Chesham, themselves, will now be involved in an FA Trophy tie with Spalding, postponed from Saturday because of a waterlogged pitch.

It was thought that Wycombe would play Slough in a League match instead. But this will not now take place due to short time in which to change the fixture.

Barnet win

The plan is now that Wycombe will meet Chesham on Saturday, instead of their league visit to Tooting. However if the Chesham-Spalding match cannot take place tonight — then there might be a late switch.

Next Tuesday, Wycombe

will definitely be away to Slough Town in the Hitachi Cup second round, while on Saturday, December 12, of course, they travel to Barnet in the FA Cup second round.

Barnet, who recently appointed a new chairman, recorded only their second Alliance Premier League win of the season on Saturday, when beating fellow strugglers Dartford 2-0.

Burnham happy

A loud cheer rang out in the Burnham clubhouse on Saturday when their team were drawn out of the bag first to play Wycombe Wanderers or Chesham in the quarter finals of the Berks and Bucks Senior Cup.

Berks and Bucks competition secretary Mr Stan Gigg made the draw at the Athenian League club. Providing Wycombe overcome Chesham, Burnham can expect a full house for the match, which is due to be played on or before January 30.

Flackwell Heath's reward for their 2-1 victory at Wolverton is another away match, this time against last season's runners up Milton Keynes City. If Holmer Green beat Buckingham they travel to either Hungerford or Winslow.

The tie of the round is undoubtedly Aylesbury's home draw with Slough.
