Well done, Barnet!

CONGRATULATIONS are in order to Barnet, who excelled by holding Division One giants Brighton to a goalless draw at muddy Underhill in the F.A. Cup on Saturday.

Barnet, conquerors of Wycombe in the previous round, showed themselves to be formidable opposition on their own ground — and the result makes Wanderers' performance look not so bad. The Alliance League side are a very well-organised outfit.

But one disappointment for the Hertfordshire club must have been the meagre attendance of 4,000. Manager Barry Fry hit out at the public, for not supporting them.

Barnet's trebling of admission fees to £3 can not have helped draw the crowds from an area which had a feastful of F.A. Cup action that afternoon.

But the club have the last laugh as they will share the proceeds from the replay at Brighton tonight (Tuesday).
