

Replay winners will visit Hyde

WINNERS of Monday night's replay between Wycombe Wanderers and Walthamstow at Loakes Park will be away to Cheshire County League side Hyde United in the second round of the Trophy on Saturday, February 6.

Hyde caused an upset on Wednesday night when they gained a 1-0 victory away to Alliance Premier League side Boston United.

The winning goal came from George Oghani, formerly of Bury. Other players with Football League experience at the club are Barney Daniels (Man City and Chester) and former Manchester United starlet Peter Coyne.

A former schoolboy international, who scored a hat-trick against West Germany, Coyne was a highly promising player when at Old Trafford. But he never made the grade and signed on for Hyde this

season from Crewe Alexandra.

Hyde, managed by former player Les Sutton, are currently placed third in the Cheshire League, having finished second last season, when they also won the Cheshire Senior Cup.

Davies missing

One man certain to miss Monday night's replay is Wycombe defender Bob Davies, who will be involved with a week's skiing trip to France.

He is taking youngsters from Brenchwood School, High Wycombe where he is a physical education teacher. Davies will also be unavailable for the Berks and Bucks Senior Cup quarter-final at Burnham on January 29.

But he will be able to play when Wanderers make their first trip to Billericay tomorrow (Saturday) for a Berger Isthmian League Premier Division encounter.

Billericay, three times winners of the F.A. Vase, are the most improved club in the country over the past decade. Having come from the Essex League, through the Athenian and right on up to the top Isthmian Division during that time.
