

KEVIN KEEN
... **England squad?**

Boys go for last eight

KEVIN Keen, who will lead High Wycombe Under 15s into their Gillette English Schools' Trophy 6th round match on Wednesday, will be hoping to be selected for England this weekend.

Keen, the only survivor of last year's Trophy winning team travels to Lilleshall looking for selection in the final England under 15s squad. He is already in the last 28.

Soon after returning from that venture he will be hoping to lead his side into the last eight of the Trophy at Loakes Park on Wednesday against Brent.

Injury

The High Wycombe team should be at full strength, although Roger Chance is carrying a slight injury. Brent only won through last weekend, after their game at Basingstoke was postponed for a week.

Basingstoke led 1-0 in that match until late in the game when Brent equalised. Then Brent went 2-1 ahead in extra time, and survived although Basingstoke hit the post in the closing minutes.

Peter Prince, the Wycombe manager, said: "If we can play like we did against Swindon in the last round we can win it."

The winners of the match will travel to Bramall Lane, Sheffield, for the next round. Sheffield defeated Newcastle 2-1 on Wednesday evening.
