

'Replay won't be easy' says Keen

"IT'S not going to be easy." Those were the words of Wycombe manager Mike Keen when assessing his side's prospects in the replay against Hyde United at Loakes Park tonight (Tuesday).

"I'm sure it will be an interesting competitive game. Hyde can play a little bit. They knock the ball around well and will be difficult to beat," added Keen.

Blues boss does not think that Hyde can play much better than they did on Saturday and expressed himself "quietly confident" about the outcome.

Davies sub

Goalkeeper Gary Lester is still suffering from the bruised knee he suffered at Burnham, but expects to be fit for the replay, despite hobbling through the last few minutes at Hyde.

Wanderers will field the same line-up with Bob Davies, again the likely substitute. He is standing by for centre-half Anton Vircavs, currently suffering from a slight groin strain.

Davies can also play in mid-field and nearly came on for struggling Bob Dell on Saturday, according to Keen. But Dell battled on to the end and seems certain to retain his place.

"Nobody was really outstanding. It was a good all-round team performance," said Keen who

was impressed with the Hyde mid-field.

Admission for tonight's replay is £1, with 50 pence for children and 35 pence for OAPs.

B. Auckland next

WINNERS of tonight's replay will be at home to Bishop Auckland, of the Northern League in the FA Trophy third round to be played on February 27.

If Wycombe win it will be a repeat of the 1957 FA Amateur Cup final at Wembley, which the Northern League team, then in a golden spell, triumphed 3-1.

Auckland reached the third round with a 1-0 victory away to Cheshire County league side Chorley on Saturday. The game was marred when their goalkeeper Paul Owers was attacked by spectators.
