

Midfield problems without Kennedy

WYCOMBE'S lack of adequate midfield replacements is manager Mike Keen's main worry as they prepare for their Berger Isthmian League match at home to improving Leatherhead tomorrow (Saturday).

Mr Keen admitted after Tuesday night's defeat that Bob Davies was not the ideal midfield replacement. "But I don't have many other options," he added.

With Paul West injured and Mike Murphy yet to establish himself as a first team contender, Mr Keen might be forced to shuffle his existing forces if Howard Kennedy is still unfit.

The Wycombe captain has been suffering from a virus that produces pains in the chest and must have only a 50-50 chance of playing.

There is some encouraging news about Steve Long, whose hamstringing injury is on the mend. But it is doubtful whether Mr Keen will want to risk tomorrow. He wants

to make sure, he is absolutely fit for the Kidderminster FA Trophy visit next week.

Wycombe Supporters' Club are running coaches to Kidderminster next Saturday, starting from Beaconsfield at 9.30 am and leaving Lily's Walk, High Wycombe at 10 am.

Tickets

Tickets are priced £3.25 for adults, and £2.75 for pensioners and children. They will be on sale in the hut behind the main stand at Loakes Park during the matches tomorrow and Tuesday evening plus Thursday from 6-9 pm. Then on Friday they will be available in the clubroom from 8-11 pm.

But the Blues' next opponents, of course, are Leatherhead, who have won four of their last five matches under new boss Keith Mills, who succeeded Martin Hinshelwood on January 1.

Still, playing well is Chris Kelly, the 'Leatherhead Lip', who is using his creative skills in midfield these days.
