

Signing this week

WYCOMBE expect to complete the signing of striker Steve Perrin from Northampton Town later this week and Mike Keen hopes to have him eligible in time for the first round of the FA Cup on November 20.

The signing of the former Wanderers hero should act as a spur to their current front runners who have performed in rather complacent fashion in recent weeks.

Mr Keen will be looking for a vast improvement in their

play when the team make the long visit to Bognor Regis tonight (Monday).

Rested

Howard Kennedy is likely to be rested again while the manager is anxious not to risk winger Ken Wilson after his recent cut eyebrow. But Wilson could certainly add variety to a rather staid and struggling forward line.

Because of the long journey, the match kicks off at the later time of 7.45 pm.
