

FA TROPHY SPOTLIGHT Meeting of old friends!

MIKE Keen will meet up with one of the players he signed on while boss at Northampton, when Wycombe Wanderers entertain powerful Boston United in the second round of the F.A. Trophy on Saturday February 5.

John Froggatt, manager of the crack Alliance Premier League outfit, came to Northampton from Port Vale and Mr Keen remembers him as a stylish forward.

Now Froggatt has assembled a side virtually full of players with Football League experience. The best known of these is Colin Garwood who scored 159 league goals in his six-club career.

But Garwood has been out since September with a ligament injury, and may not be fit in time for the tie. Leading scorer is Jimmy Lumby, from Mansfield, with 22 goals.

Davies back?

Mr Keen has some defensive problems at present following the shock departure of Steve Norman to Chesham and a groin injury to Steve Toll.

He is likely to keep the same line-up for the Servo-warm Isthmian League match at home to well-placed Tooting and Mitcham tomorrow (Saturday).

In order to strengthen his defensive resources, Mr Keen could well call upon the services of Bobby Davies, who left at the start of the season, when there was a preponderance of back four players.

He said that he would come back in an emergency. Now could be that time.
