

Football hit by weather

WYCOMBE Wanderers were one of numerous local clubs to lose their matches to the weather. Their Servowarm Isthmian League game at home to Barking on Saturday was called off in the morning, due to snow on the pitch.

The players still turned up to do some fitness and ball work on the training pitch. The postponement will not come as a worry to them as they are so well ahead with their fixtures.

They have only eleven Premier Division fixtures to play — a lot less than their

main rivals, two of whom were in action.

Leading challengers Harrow Borough dropped a couple of points when drawing at Staines, while Dulwich Hamlet lost at Bognor. This all leaves Wycombe still nine points clear.

One team with a lot of games to play are Chesham United. They fell further behind when their Division One match at Cheshunt was another casualty of the weather.

The only local Athenian League game called off was Chalfont St Peter's visit to Ruislip Manor. However,

Chalfont Reserves played. They beat Edgware Reserves 4-0 at the Playing Fields to go into the Middlesex Border League Cup semi-finals.

In the London Spartan League, Amersham's game at BROB Barnet in the Premier Division and the Senior Division clash between lowly Ulysses and Beaconsfield were postponed.

With Wycombe Council pitches being declared unplayable for the weekend on Friday morning, very few Wycombe League and Combination ties beat the icy weather, which seems to have come later than usual.
