

Blues wait and watch

MIKE Keen has opted to give his Wycombe Wanderers players a rest over the Easter holiday as they prepare for the run-in to the season, which could give them their first Isthmian League title for eight years.

Wycombe are so well ahead with their fixture list that they have no scheduled league games at Easter and he declined to obtain opposition for so-called friendlies, opting instead for training sessions.

Last Saturday Bob Dell's goal gave them a disciplined 1-0 win at Carshalton.

So their next Premier Division match is at Slough Town on Tuesday. By losing at Tooting on Tuesday night the Rebels are really out of the title race.

There were some good results from Wycombe's viewpoint that night. Closest challengers Leytonstone and

Hayes drew 0-0 while Harrow Borough were held 3-3 at home by Bromley.

This weekend Hayes have away games at Harrow and Bognor Regis, while Leytonstone are away to Slough and then entertain lowly Walthamstow Avenue.
