

It's the boot for Mike!

WYCOMBE Wanderers FC have decided to part with manager Mike Keen at the end of this season.

Keen, who led the Blues to an FA Trophy semi-final and an Isthmian League championship, during his four years at the helm, said he was not surprised at the decision.

Club chairman Brian Lee explained why the club will not re-engage Mr Keen for next season. "We feel a change would be in the best interests of the club."

Wycombe have struggled in the league this season, but are through to the Hitachi League Cup final to be played over two legs on May 5 and 7 — Mr Keen's last two games in charge.

Favourites to take over this top job are the former Wycombe and Sutton player Larry Pritchard, Hungerford's boss Jimmy Kelman and Mr Keen's current assistant Alan Davies.
