Lost and found!

LOST — one football team answering to the name of Wycombe Wanderers, last seen several years ago wearing blue shirts, playing fast, attractive football at Loakes Park.

Now only sadly being imitated by people hoping to gain entry into the Milk Cup because of their resemblance to carthorses.

IF FOUND — please despatch at once to Brian Lee, Mike Keen or indeed Michael Knox who seem to be satisfied with things as they are.

**Norman Smith,
11 Bernards Way,
Flackwell Heath.**
