

Wycombe's happy heroes have a party

Goalkeeper Chris Way clutches the Suburban League trophy as around him the celebrations are in full swing for the happy Wycombe team.

Jock's thanks

Sports Mail

I WOULD like to express my thanks to the Bucks Free Press and all who supported my benefit match at Loakes Park on April 8.

My gratitude also goes to the sponsors and organisers who made the event so successful.

I met many old and new friends and greatly enjoyed the afternoon as did, I hope, all who came along. — Jock Sheppard, 3 Glory Close, Wooburn Green, High Wycombe, Bucks.

THIS cheerful band certainly have plenty to smile about!

The merry men are members of the Wycombe Reserves side who last week received their reward for winning the club's only trophy of the season.

At a dinner on the way back from the Hitachi League Cup Final at Sutton, the Blues second string were presented with the Suburban league trophy.

And, although most of the regular first team squad and departing manager Mike Keen stayed away, the party still got into full swing.

Players and officials toasted their success and the likelihood they that they have a future next season.

It looks as if the club will retain a reserve squad for the next league campaign, and after their efforts of late, it would be a just regard for the unsung heroes of Loakes Park.

The Suburban League would like to see Wycombe Reserves in their fixture list as would the faithful home fans who stuck with them when the axe was poised about their heads.
