

Thanks all round SPORTS MAIL

I WOULD like to say thank you to Jim McCann and Rolf Niven for a very good report on our Centenary match.

This game should help to bolster our gates at future matches.

To those who missed it I may come up and have a look at our 1984/85 team.

It was sad to hear of John Richardson's injuries, but I wish him a quick recovery.

A big thank you is also in order for the Chesham All-Girls Marching Band, first class and good enough for Wembley girls!

Once again thanks to the club and players for a good show and well done the Free Press.
