

Jacobs joins old pals

JIMMY Jacobs has taken a familiar trail away from **Loakes Park**.

The utility man, who has wanted to leave **Wycombe** for weeks, has joined **Southern League Hillingdon**.

There he will join up with former **Blues'** assistant manager **Alan Davies** and midfield man **Steve Perrin** — who both went to **Hillingdon** after leaving **Loakes Park**.

Meanwhile, **Wycombe** manager **Paul Bence** will be forced to make one change to the side which defeated **Harrow 3-2** on **Saturday** for the **Hitachi League Cup** match against **Bishops Stortford** at **Loakes Park** tonight (**Tuesday**).

Dave Russell is cup-tied after playing in the competition with former club **Slough**.

Anton Vircavs, who played for the **Reserves** on **Saturday** — his first game back after injury — **Roy Fairchild** and substitute at **Harrow**, **Bob Dell**, will come into contention for a place in the starting line up.

Boss Bence was delighted with the performance of his men at **Harrow**.

"It was very pleasing and now I hope we can put together a consistent run. I'm now in a much better situation with the team playing well and other men knocking at the door for a game. That puts pressure on players to play well and hold their places."

Tonight's match kicks off 15 minutes later than usual at **7.45pm**.
