

BOB DELL . . . an offer

Offer for Dell

WYCOMBE have had a firm offer from Sutton for transfer listed Bob Dell.

But the former Blues captain looks unlikely to move because of the travelling involved.

"Bob is thinking it over but it could be that he will wait for something else closer to home," commented manager Paul Bence.

Dell watched Wycombe from the terracing on Saturday as they slumped against Bognor.

He did not play for the Reserves because manager Bence wanted him in the first team pool as cover following a training injury to full back Kevin Tilley.

But Tilley was declared fit an hour before kick off so Anton Vircavs took the place on the bench leaving Dell out in the cold.
