FIZZING Blues boss Paul Bence verbally laid into his players after watching them squander a two goal lead in the final eight minutes against Carshalton on Tuesday.

"I can't begin to explain the frustration at watching senior players making silly childish mistakes for no apparent reasons," said the upset Wycombe boss.

"If we are going to get anywhere we have to come to places like Carshalton and win — not throw points down the drain as we did tonight.

"I think the booking of Kevin Collins was outrageous.

"The lad said nothing to the referee to merit any punishment."

Wycombe meanwhile will tackle Isthmian League Division 2 (South) front runners Uxbridge tomorrow (Saturday) in a friendly at Loakes Park.

The match has been arranged because original league opponents Tooting are involved in a Surrey Senior Cup game.

Hopes of a match against Sutton were dashed when they drew a Surrey Senior Cup match against Epsom. The match had to be replayed last night (Thursday).

"Uxbridge are having a great season," said Bence.

"It will be a hard match but I will use it to try out a few permutations that I have been working on."

Uxbridge have lost only one of their 19 league matches, scoring 44 goals and conceding a measly five.

Bence will use the friendly as preparation for Tuesday's trek to Slough.
