

BLUES boss Paul Bence was delighted with his side's last gasp win which takes them into seventh spot in the league — their highest to date this season.

"I was very pleased because we could have ran away with it at times," he commented.

"We lost our way in the second half because we lack a general in midfield.

"Nevertheless it was a very creditable show for the boys to bounce back and grab a winner.

"Declan has a habit of grabbing the winning goals

but all goals are important.

"It was also a very entertaining game for the fans and, in my view, a very good advertisement for the Isthmian League."

Owing to our printing deadline we are unable to bring you news on how Wycombe fared in the long-awaited Hitachi League Cup tussle last night (Thurs-

day) with Bishop's Stortford.

A full match report will appear in our sister paper **MIDWEEK** on Monday.

Meanwhile, Wycombe meet Worthing at Loakes Park on Saturday.

The question is can they dent the south coast club's title chances in the same way as they did to Sutton?
