

Busy Blues

WYCOMBE manager Paul Bence sees his club's next two friendlies as vital preparation for the start of the Gola League season.

And that is why he will give his first team squad 90 minute run outs in the games against Walton and Hersham

on Saturday and at Newbury on Tuesday night.

"The time has come to see what players can do in a full game," explained Bence.

"That is why I will change the team around in the next two matches."

Bence was pleased with his side's display last Friday night when they went down 1-0 to an impressive Crewe side at Loakes Park.

Last night (Thursday) Blues took on a Spurs XI at Loakes Park in preparation for the first relevant test — a week on Saturday at Sutton in the Dylon Shield.
