

# ***Win or lose in style***

**WYCOMBE** manager Paul Bence has ordered his players to 'attack and entertain' in the Gola League — even at the cost of defeat.

The Loakes Park boss confirmed his team will attempt to provide supporters with value for money, after watching them destroy Sutton on Saturday.

'The emphasis will be on going forward and trying to play attractive football,' said Bence. 'It worked for us on Saturday.'

'We beat the best side in the Isthmian League playing my style and I see no reason to change it for the Gola League. I would pack the game in if my lads played like Sutton.'

Bence is also convinced his lightweight team can handle themselves in a league renowned for its strength and bruising physical approach.

## **Big side**

'Sutton are a big side, as big as most Gola sides and we coped with them,' he pointed out. 'I hope we'll surprise a few sides with our skill.'

'If we can take the game to them and attack I'll be happy — even if we lose.'

The Wanderers chief praised Dave Burgess for his performance against Sutton. 'Everyone did well, but to play as superbly as he did with so little match practice, take some doing.'

'It was sad for our two new boys Sean Price and Des MacMahon that they didn't get on but they were very understanding.'

John Richardson meanwhile impressed in his first full match since breaking his ankle last year. The stocky winger helped Blues hold Metropolitan Police to a 1-1 draw on Thursday's friendly.

Wycombe play Geneva College, of the US, in a friendly at Loakes Park tonight (Tuesday), starting 7.30pm.
