

On the spot... Gary Lester stretches out the hands which defied top of the table Enfield on Saturday.

PICS BY JEFF HOLMES

A glowing tribute to heroic Lester

WYCOMBE manager Paul Bence was in no doubt who made his side's magnificent victory over Enfield possible — Gary Lester.

Bence was glowing in his praise for the big keeper who pulled off a string of memorable saves.

Experienced

"Lester was absolutely magnificent," enthused the Blues boss.

"His two saves from the penalty were simply amazing.

"Vircaus and Burgess were also superb, but Lester really

won the match for us."

Bence was delighted with the way his players rose to the occasion and shrugged off their recent run of bad results.

"Enfield have a host of highly experienced and highly paid players," he said. "By comparison we are mere novices but if we can beat them we can beat anybody on our day.

"It was also excellent entertainment for the fans."

Bence has a few problems to sort out before the Gola League clash with Nuneaton tonight (Tuesday) at Loakes Park.

Des McMahon, another

outstanding success on Saturday, will definitely be missing. He is away on a business course.

And Kevin Collins, who twisted an ankle against Enfield, faces a battle against the clock to regain fitness.

If he makes it, Collins will probably fill in for McMahon in midfield.

That would mean Anthony Riley holding down the full-back berth which he occupied so successfully on Saturday after replacing Collins.

Nuneaton are level on points with Blues so it will be a test for Bence's men.
