

WYCOMBE WONDERS ADVANCE

Wycombe Wdrs 2 Colchester ●

GOLA LEAGUE newcomers Wycombe stormed into the FA Cup second round by humbling Fourth Division Colchester at Loakes Park.

"The lads were brilliant," said ecstatic Wycombe manager Paul Bence. "We deserved to win because we played the better football."

Teenager Mark West gave Wycombe the perfect start after only three minutes. The 19-year-old was on hand to blast home from close range after Declan Link had headed on a corner.

Wycombe's man-of-the-match Simon Read notched the second goal in the 40th minute as Colchester defender Andy Farrell slipped.

Colchester were lucky not to fall further behind. McMahon and West both had shots scrambled off the line on the stroke of half-time, while West and Link missed second-half chances.

Colchester at last fought back and only a series of outstanding saves from Gary Lester kept them out.

Ace Hercules

Slough 2 Aylesbury 2

IT LOOKED like a Herculean task for Southern League Aylesbury when they went two goals down in this first-round Cup tie.

But they had just the man for the job in Cliff Hercules, who slotted home the equaliser with just 10 minutes to go after Dave Botterill had reduced the arrears.

Slough's goals were scored by Rowan Dodd (16 mins) and Keith White (38).

Storton fury over snubs

TELFORD manager Stan Storton last night accused League clubs of cold-shouldering the little FA Cup giant-killers, writes JOHN WRAGG.

"I sometimes think League sides don't want clubs like mine in the Cup," claims Storton, who takes his Gola League side to Derby for tomorrow's second round tie.

Telford lost 3-2 in the third round at Derby two seasons ago and Storton says: "The treatment we got was scandalous."

"Derby's manager then was Peter Taylor and I had played for him at Hartlepool. Roy McFarland was his No. 2 and I was a team mate of his at Bradford. Yet no one came into our dressing room and the hospitality offered by Derby was nothing to write home about."
