

Blues go marching on to victory

IN the past week, Wycombe have increased their lead at the top of the Vauxhall-Opel League with convincing victories over Bromley and St Albans.

The Wanderers who have still to drop a point, crushed Bromley with goals from Mark West, Byron Walton, Kevin Collins and an own goal from Bromley's Gary Kent.

On Tuesday the Blues met St Albans, but it was not a happy return for former Wycombe player Steve Perrin as his side lost 3-0.

The Blues have paraded three new players in this last week in the shape of Jamie Bates, who is currently on loan from Brentford, Andy Graham who signed on earlier this year but been absent due to holiday, and Jason Seacoles, formerly of Swindon Town, who made his debut in the number six shirt on Tuesday.

Manager Alan Gane is now in the enviable position of having an abundance of players to choose from.

The Blues have not got a game scheduled for tomorrow, but on Tuesday they will be at home to Hornchurch in the A C Delco Cup, unless the Essex side are involved in a FA Cup replay.

Supporters are advised to contact the club to check whether the game is on.
