

Jaunty Jason is on song

ON TARGET: Noel Ashford

JASON Seacole hit four goals in two games for Wycombe Wanderers this week.

The striker, who missed a penalty the previous week, started his goal spree with a superb hat-trick in the 4-2 demolition of Worthing at Loakes Park on Saturday.

Headed

Noel Ashford, who started the move which led to Seacole's first goal, added a second five minutes later.

Shortly before half-time Seacole headed in from a

By FRANK LE DUC

Barry Silkman corner to make it 3-0.

Worthing hit back after the break to score two goals in a five-minute flurry but Seacole then completed his hat-trick after a Mark West shot was cleared off the line.

The former Oxford City star was in goal-scoring form again on Tuesday when the Blues beat Hayes 2-1.

Wycombe went a goal down in the opening minutes of the game but then

equalised through Andy Graham.

Seacole hit the winner less than five minutes into the second half and Wycombe defended well to hang on to a useful three points.

Points

The Blues stay two points clear at the top of the Premier Division, just ahead of Yeovil who beat mid-table Wokingham Town on Wednesday.

Wycombe travel to Wokingham for a league game tomorrow.

PAUL Hackett, who has been plagued by injury over the past two months, may not play for Wycombe again until the New Year.

The midfield man, signed from Aylesbury in the close season, picked up what he believed was a groin injury in September.

But now it appears that Hackett may have more serious pelvic trouble.

Blues' boss Alan Gane revealed this week that the blonde playmaker is seeing a specialist this week.

And he would not be drawn on when Hackett may return.

"I just don't know," admitted Gane, "It's difficult to say but I suppose

he could be out until the end of the year."

With Hackett struggling, Kevin Durham's appearance on the bench for the Hayes match in mid-week was a big boost.

Durham did not take part but boss Gane confirmed that he will be in the

party for the visit to old rivals Wokingham tomorrow (Saturday).

The Wycombe boss is still talking to former Brentford midfielder man Paul Walker although no deal has been finalised with the midfielder who is now at Egham.

New blow for Hackett

Gane was "quite pleased" with his team's performance against Hayes.

"We did not play exceptionally well but what pleased me was that we recovered well after losing a bad early goal," he said.

Gane expects a severe test at Wokingham.

"It's always a hard fought match over there and even more so in the last few seasons because of our links with them."

Wokingham went down 3-0 to Yeovil in midweek.

Blues entertain Yeovil next Tuesday in the GMAC Cup in a match which should attract a healthy crowd to Loakes Park.

AFTER this week's tough Premier Division clash away at Yeovil, Wokingham Town have no time to rest before being pitched into another desperate battle against Wycombe Wanderers.

The team which was playing in the GM Vauxhall Conference last season (formerly the Gola League), has made light of its return to the lower level and has led the way this season.

They will come to Finchampstead Road on Saturday (November 8) on the crest of a wave of confidence but all Town fans know their team can be relied upon for pulling out something special against fancied opposition. Perhaps Town have been involved with whippet racing for too long but they love to be considered the underdog. Kick off is at 3pm.

The draw has also been announced for Town's first match in the FA Trophy. They will play the winners of Dorchester v Ton Pentre at Finchampstead Road on Saturday November 22.

Welsh Leaguers Ton Pentre beat Basingstoke in the FA Cup proper and Roy Merryweather has taken a keen interest in their results.

More good news for the club came after the return of Colin Caulfield and Derek Cottrell from their intensive week of physiotherapy on knee injuries. FA physios have told Colin he can begin full training this week and there are hopeful signs that Derek could be back and playing within three weeks.
