

WHEN the telephone rang in Trevor Bunting's house little did he know that the caller was about to offer him the chance to play in the biggest game of his life.

Slough manager Alan Davies was ringing the 18-year-old Wycombe 'keeper, at the time on loan to Burnham, to explain his goalkeeping plight and try and persuade him to move to Wexham Park.

Bunting played 22 games for Slough on loan at the end of last season and when Graham Cox went down injured two weeks ago Davies had no hesitation in offering the youngster the chance of a permanent move to Slough.

"It is a chance I have got to take," said Bunting, who is a Wycombe lad and had originally set his heart on playing for his local team.

He said: "The way Gary Lester has been playing this

season it looked like I would be waiting another couple of years. That is why I had to make the break.

"I want what is the best for me."

Luck

Bunting said the prospect of playing in tomorrow's FA Cup match at Swansea was not a consideration when making his decision.

"That had nothing to do with it. But obviously it is a bit of luck for me, although I feel sorry for Graham Cox.

"But I am looking at things in the long term."

Bunting, who has just got a job as a trainee litho and plate maker, admitted there will be a few butterflies before the match at Swansea.

"I am bound to be a bit nervous. I am before any game."

But he has no doubt that he will enjoy his stay at Wexham Park.

"I had a very good time here last season. I really enjoyed it and they looked after me well. They are a nice bunch of lads."
