

Unbeaten run for the Blues

WYCOMBE Wanderers overcame third-place Barking on Saturday, taking their unbeaten run to eight games.

It was a game full of incident which is reflected in the 4-3 scoreline.

In the first half, goalkeeper Gary Lester received a 'dead leg' in a challenge with a Barking player which left him hobbling for the rest of the game.

The second half was delayed for six minutes when the floodlights failed, but when the game restarted the Wanderers quickly took the lead through Day and soon added another - this time with Walton taking the honours.

The referee awarded a penalty to Barking which former Loakes Park favourite George Borg didn't hesitate to put past Lester.

Borg was on hand again moments later to curl in a corner which was headed home by Rogers.

Injured

Andy Graham helped the Wanderers regain the lead and then a brilliant solo effort by Kevin Durham took the score to 4-2.

At this stage, with the Blues totally in control, the referee left the pitch injured.

The delay enabled Barking to get back into the match and shortly after they scored a third and came close to scoring again in the final minutes.

However, the Blues hung on to take the vital points in their chase for promotion.

Tomorrow the Blues are away to Hendon. Kick off is 3pm.

Manager Alan Gane signed Wokingham Town's experienced defender Kirk Corbin on Tuesday night.

With the departure of Trevor Bunting to Slough and Kevin Connolly to Oxford City.

Gane said: "I needed to strengthen the squad."
