Weather scuppers the Blues

WYCOMBE Wanderers fixtures are the latest casualty of the weather.

Their match on Tuesday versus Windsor and Eton in the Berks and Bucks Cup was postponed and has now been rescheduled – weather permitting – to next Tuesday. Kick-off is at 7.30pm.

Tomorrow the Blues are due to play away at Bognor Regis Town but this match must be considered doubtful.

The Wanderers increased their lead at the top of the table last Saturday when they crushed lowly Walthamstow Avenue 7 – 1.

In difficult conditions the Blues took the lead immediately the game began when one of the Walthamstow defenders headed into his own net from a corner.

Wycombe increased their lead with a goal from Keith Barrett. By half time the Blues led 3 – 0 through a penalty taken by Mark West.

Consolation

The best goal of the game was by Kevin Durham. A poor pass by Walthamstow stalwart Alan Hunter allowed Durham to nip in and slot the ball past the hapless Walthamstow keeper.

Jason Seacole scored the fifth and sixth goals and then to put the seal on the match Declan Link scored the seventh – his first goal since his return from the States.

Walthamstow grabbed a late consolation goal through Morley but this couldn't spoil the Wanderers' day.

● **Two goals for Blues striker Jason Seacole.**
