

Cold-start Blues blow it

YEOVIL came two points closer to Wycombe on Saturday when they beat Barking 3-0 and the Wanderers only managed a goalless draw with lowly Tooting and Mitcham.

The game, played in freezing conditions, never really warmed up and the Blues failed to stamp their authority.

The Tooting fans, who were claiming a moral victory at half-time could hardly believe that after 90 minutes they still hadn't conceded a goal and just four minutes from the end had almost snatched victory through Samson Olalye with keeper Gary Lester saving the day for Wycombe.

With three quarters of the season gone

By RUTH PAYNE

the Blues are now entering the home straight and at this stage are still favourites to win the league.

However, they would do well to remember that this time last year nobody thought the club were in real danger of relegation but it happened. Now with a possible 24 points still to be won, the club cannot afford any slip ups if they're to get into the GMVC league.

Tomorrow, the Blues face Harrow Borough at Loakes Park. Kick off 3pm. Boro' who beat Wycombe earlier in the season 2-1 will field to ex-Wanderers in Bobby Dell and Trevor How.
