West's on target at the double

SUPER STRIKER Mark West scored two goals for the second consecutive game as the Blues thrashed a weak Slough side 5-0 on Tuesday night.

West scored both goals as Wycombe came from behind to beat Farnborough 2-1 away on Friday.

At Loakes Park on Tuesday the action started early with Andy Graham tackling outside the area and putting the ball through for a waiting West who flicked it over keeper Trevor Bunting as the former Blues number two dived.

Seven minutes later Jason Seacole launched an inch-perfect cross to West who gently nodded in his sixth goal in the Blues' four friendlies this season.

Temper

Kevin Durham made hard work of getting past the Rebels' Gary Woodcraft but he played it square into a crowded box.

Nigel Gray and Roger Mayes both had a stab but it was Jason Seacole who finished it off with a solid right foot shot from close range.

Despite a referee who seemed to favour Slough quite strongly, the Blues kept their temper for the most part.

A number of wrong decisions given were in favour of Slough.

Blues substituted over half the team, giving most members of their squad a run.

Alan Mayes, 31, of Blackpool, had an impressive game and has signed for Wycombe on a free transfer. Previous clubs include Swindon, Chelsea and QPR.

Barry Fry made a formal approach for unhappy England semi-pro Noel Ashford. After a directors' meeting it was announced Ashford will see out his contract at Wycombe.

There is no news of a new manager yet. Alan Gane's predecessor Paul Bence has turned the job down, and the post has been advertised in the press and mentioned on TV.
