

WYCOMBE Wanderers manager Peter Suddaby acted quickly after Barnet's 7-0 thrashing of the Blues last week. On Saturday Wycombe had two new men in their line up, both ironically from Barnet. They are Barry Little and Gary Westley who are on a month's loan from the North London club.

The inclusion of these two seemed to set Wycombe alight as they created chance after chance against Telford. Wycombe eventually took the lead with an absolutely superb goal from a free kick taken by left back Neil Price from 30 yards out.

The Blues made many changes in the first half coming close to scoring when they hit the post and the cross bar. In the second half Little and Westley combined to give the latter a well worked goal on his debut.

Telford missed a penalty before finally pulling one back to make the final score 2-1.

On Wednesday Wycombe played Cheltenham where Anton Vircavs, a former Wycombe Captain and favourite with the fans now plays.

They drew 2-2 after Cheltenham led 2-0. Goals by Mark West (penalty) and Gary Westley.
