WYCOMBE Wanderers lost 1-0 away at Welling on Wednesday evening

The blues, who are having a tough time at the moment, were lucky the score wasn't higher.

Wycombe also crashed again Saturday losing 3-0 to Kettering Town. In the Blues side making his debut was Paul Collins who has joined Wycombe from Gillingham on a match to match basis. Manager Peter Suddaby is continuing to try and strengthen the squad but nothing definite is expected before the weekend.

Tomorrow (Saturday) Wycombe are away to Stafford Rangers in the GMVC league kick off 3pm. Keith Barrett who missed Wednesday's match because of flu is expected to return.

On Tuesday the Blues play Bognor Regis in the first round of the GMAC Cup at Loakes Park kick off 7.30pm. Wycombe played Bognor earlier in the season for the vauxhall charity shield winning 3-0. Bognor who play in the Vauxhall Opel Premier Division side will be hoping to avenge that defeat. Whilst Wycombe will be hoping to win that match to boost their confidence which has taken a nose-dive recently after a run of poor results.
