

Blues snap up Sean

WYCOMBE Wanderers have signed Sean Norman from Colchester Utd for a bargain fee of £2,500. The talented left back has been playing in the Blues side for the past month on loan but he has now signed on a three-year contract for the Wanderers.

Wycombe are also in the hunt for a new goalkeeper as a back up to regular keeper Gary Lester. Gary has had no understudy for two years last season when he was injured Graham Bressington played in goal but with Bressy no longer around the Blues must get cover for Lester.

A potential reserve keeper is Richard Wilson who played for the Blues in their 2-1 win over Wimbledon on Tuesday night in the Capital League.

Last Saturday, the Blues drew their match with Weymouth 0-0 a more than creditable result as Weymouth are one of the teams expected to be in the hunt for honours at the end of the season.

Tomorrow Wycombe are at home to Boston Utd kick off 3pm. It was only two weeks ago that the Lincolnshire side hammered Wycombe 4-0 with all four goals scored in the first 40 minutes of the match. " WANDERERS' fans with an optimistic disposition may be tempted by the odds offered by bookmakers William Hill on this season's FA Trophy.
