THIS is the futuristic design of Wycombe Wanderers proposed new ultra-modern stadium.

The stadium, which is to be built off Hillbottom Road, Sands, is to be called Adams Park in memory of Frank Adams, an old Wanderers player who originally gave

Blues' super stadium

the Loakes Park ground to the club back in 1895.

Construction of the new stadium, which is costing over £2 million, will begin in January

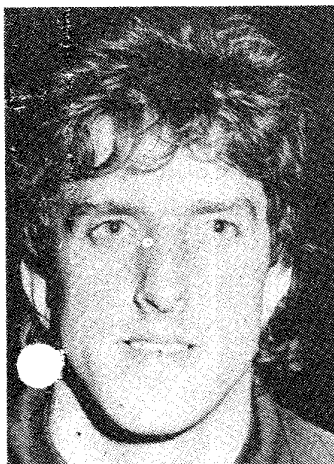

1989 and should be finished in 1990.

The new ground is designed to bring Wycombe football into the 21st century, with more facilities,

better seating, more covered stands, close circuit security cameras and stands that will totally surround the pitch.

It will seat up to 6,000 fans.

CRACKER KEV

GOAL HERO: Kevin Durham

IT was goals galore for Wanderers this week as they hammered Haverhill Rovers 4-1 in the FA Cup and then battled to a 3-3 draw against Fisher Athletic.

Delighted boss Jim Kelman said: "We had to beat Haverhill because they're in a league below us but we did it very comfortably and that's encouraging.

"Against Fisher we hit the post three times, including once from a penalty, but we still managed a draw."

On Saturday Kevin Durham opened the scoring with the first of his week's four goals and it still separated the sides at half time.

Soon after the restart Mark West put Dave Carroll clear on the right wing and collected the cross before slipping the ball to John Regan who put Wanderers two up with a crisp volley.

Durham collected his second with

a superb looping header.

Substitute Scott Young came on for Regan and within minutes he had left his mark. He displayed his vision by spotting the keeper off his line and floated a sweet chip for Wycombe's fourth.

Haverhill's determination was rewarded with a late consolation goal when Brian Holmes swept past John Granville and fired home.

The win sees Wycombe through to the next round against Finchley.

On Monday night Blues travelled to Fisher Athletic. Kelman said: "We went without Glyn Creaser because he had a bereavement and unfortunately his suspension means we'll be without him for the next

Durham dazzles in goal stampede

three games.

"That didn't help us and we went one down to a header. But we came back when West and Regan robbed the back four and Durham scored."

Fisher went back in front before half time but Blues laid siege to their goal after the break and hit the post twice.

Kevin Day eventually equalised but Fisher went 3-2 up with a breakaway goal. For the rest of the game the home side was under siege.

"They cleared off the line before Mark West took a penalty and hit the post," said Kelman.

Finally after a series of corners West unsettled the keeper and Durham side-footed home.

Tomorrow Blues are at home to Runcorn.
