GAINE'S DREAM CUP TIE

FORMER Blues' boss Alan Gane has earned a crack at his old club in the FA Cup.

Gane, who left Wycombe after leading them into the GM Vauxhall Conference, is now manager of Staines Town.

And the two clubs will meet in the third qualifying round of the Cup on October 15.

To add spice to the clash, the Staines line-up includes ex-Blues players like Mark Dawber. Town will be no pushover on their Wheatheaf Lane ground.

But Blues continued their good scoring form by trouncing Finchley 3-0 in the second qualifying round.

On Tuesday Wycombe had a 2-1 win over Wokingham Town in the Inter-premier League cup.

John Regan and Scott Young were on target for Blues who were 1-0 down at half time after Kevin Day scored an own goal.

activity.

On Saturday, Durham opened the scoring for Wycombe when his header caught in a quagmire and slipped past the goalie.

Finchley never recovered and Mark West underlined the difference in class when he latched on to a Blackler pass, controlled the ball and scored.

West was on target again moments later when a low corner came in and he flicked it inside the near post.

Tomorrow Blues face improving Welling at home, with the kick off at 3pm. Welling include former QPR goalie Paul Barron in their line-up.
