Welling**

IN-FORM Wanderers rode their luck on Saturday when an own goal secured them a draw against Welling ... and then they celebrated with a 3-0 trouncing of Weymouth.

Tuesday's away win against Weymouth stretched Blues undefeated run to nine games and has Kelman's men bristling with confidence for their FA Cup third round clash with Staines.

The game will thrill Blues faithful who remember Staines boss Alan Gane from his time as a crowd favourite at Loakes Park.

Kelman said: "It's one we want to win. We're favourites on the form books but we are taking it very seriously. We've had Staines watched. It's not easy when you are expected to win."

Wycombe's top scorer Kevin Durham opened his team's account in the early minutes on Tuesday giving him nine goals in league and cup so far.

Durham off with hamstring trouble.

Substitute Scott Young added thrust before new man John Kerr grabbed his debut goal.

Robinson and Blackler started to boss the midfield and the final quarter was dominated by Wycombe.

"Martin Blackler scored a cracker to finish off," said Kelman. Blackler worked it in from the right and Martin shot.

The keeper palmed it away and Blackler scored with a diving header from the rebound."

Blocked

On Saturday, Blues were trailing 1-0 against Welling at a rain-soaked Loakes Park as the fans began filing out of the stadium.

The tireless Steve Abbley fired a desperate shot at keeper Paul Barron's near post. Barron blocked the ball but it spun onto defender John Glover who hooked it into his own net.
