Cup Chaos Continues - By Alan Hutchinson

Yet again we were dogged with bad luck in another cup tournament. Already two teams have scratched against us in the League Cup and on Saturday 12th our match against Aston Park Rangers in the Wycombe Cup did not take place owing to the non arrival of a referee. Hopefully this game will be re-scheduled with an official in charge.

It was gratifying that Saturday 19th saw us play in the League Cup tournament with both our opponents and the official turning up. This was the third round tie against Conductive Containers from Division Two and what a fright they gave us in the first 15 minutes. They attacked from the start, hit the bar twice and had another chance cleared off the line. After 15 minutes they took the lead and looked good value before Adam Markwell levelled things from the spot. Two more well taken chances saw us lead 3-1 at half time with goals by Andy Spurr and Matt Elworthy. In the second half we got our act together and went into a 6-1 lead before relaxing and allowing them to score at the end of the game. But our opponents competed well and gave us a test before our forthcoming game with Windsor Great Park.

The six goals came from Andy Spurr (2), Matt Elworthy (2) Adam Markwell (pen), and Nick Dean.

Our league programme continued last Saturday 26th against Windsor Great Park, possibly the best side in the division - however we shall be trying to dent their reputation and open up the field for the remainder of the season.

Introducing the Players.....

Kevin Payne

The youngest lad in the squad, just 16, a strong mid-field player from Hughenden Valley. Kevin has done well so far and is a very promising prospect.

Neill Hoing

A strong forward with a keen eye for goals. Previously with Marlow and Flackwell Heath. Had a lot of bad luck with injuries this season - age 17.
