

Trophy date switched!

WYCOMBE Wanderers' FA Trophy first round tie at Bath City has been switched to Sunday, January 15.

The switch has been to avoid a clash with Bristol Rovers who are playing at home on Saturday, January 14.

The Twerton Park team are no strangers to Blues followers having been a Conference club themselves until last season.

They finished third from bottom last term and dropped into the Beazer Homes premier league where they currently occupy a midtable position.

City reached the third round of the Trophy in the 1979/80 and were exempt until the first round this season.
