

Soccer fans charged

THREE football fans have been bailed after violence at Wycombe Wanderers' home match against Kidderminster on Saturday.

Daniel Cleathero, 22, of Baring Road, High Wycombe, appeared before the town's magistrates yesterday charged with violent disorder after a policewoman was allegedly kicked during half-time.

Cleathero was remanded on bail until March 20.

Two other men have been given police bail to appear on the same date.

They face charges relating to fighting on the terraces.
