

Storms devastate sport

SEVERE storms wiped out the weekend's football programme involving local clubs.

Wycombe Wanderers and Chalfont St Peter were due to play at Fisher Athletic and Tooting &

Mitcham respectively, but these games, together with Marlow v Dagenham and Chesham v Hampton, were postponed.

Chesham are hoping their Berks & Bucks Senior Cup Second Round tie at Newbury Town, postponed last

week, will be played tonight (Tuesday).

Wanderers, meanwhile, entertain Windsor & Eton in the Berks & Bucks tomorrow night (Wednesday).

Chalfont and Marlow are without any midweek fixtures.

Blues face a windy washout

THE weather has devastated the sporting programme over the last two weeks with both Wycombe Wanderers' games against Fisher Athletic last Saturday and Cambridge United in the Capital League on Wednesday being cancelled.

Tomorrow the Blues, with their new manager announced on Thursday, Martin O'Neil, are due to travel to Merthyr Tydfil but as South Wales and the Powys area in particular was hit by Wednesday's storms it is very unlikely that the game will go ahead. The Berks & Bucks Cup game with Windsor and Eton rescheduled because of the Royals involvement in the FA Trophy is now due to take place on Tuesday at Loakes Park, kick off 3pm.
