

EXTRA BUSES SET UP FOR MATCH DAYS

By **MAUREEN WATTS**

BEE LINE Bus Company is running new football specials from High Wycombe to Wycombe Wanderers' new ground at Adams Park, Sands, on match days.

For the opening games against Nottingham Forest and Southampton, Bee Line is giving away free bus tickets if match tickets are bought from the bus station travel office.

The bus fare will normally be £1 return with half fare for children and pensioners.

Buses leave High Wycombe Railway Station on Saturdays at 1.55pm and 2.25pm and go from the bus station five minutes later. For weekday matches buses leave the railway station at 6.35pm and 7.05pm, again calling at the bus station five minutes later.

Return buses leave the football ground ten minutes after the final whistle.

Andrew Taylor, Commercial Manager for Bee Line, said: "The buses have been timed to coincide with trains from both London and Bicester directions. The future of the service depends on how much they are used."

Football Club Chairman, Ivor Beeks said: "Whilst this is an exciting time for the club and its supporters, and the new ground is a fulfilment of a dream, we are embarking on a new venture and we do ask people for their patience and tolerance until we settle down at Adams Park."

The club asks for co-operation over parking arrangements in Hillbottom Road and asks supporters not to park in obstructive places or on neighbouring properties.
